### WARRIORS FAQ:

#### 1. What do I need to bring to tryouts?

You'll need to bring a basketball, your drink bottle, dark coloured and light-coloured singlet or t-shirt, or your SIDA Warriors gear and your best behaviour, your best game and the right attitude.

#### 2. Do I need to attend all three tryouts?

YES! To allow the coaches to best determine the players level and the most appropriate team for players, it is important that you attend all tryouts. If you are unable to make a tryout date, please let us know ASAP.

#### 3. When are games played?

Saturdays – mornings for under 10's. Saturday afternoons for all other age groups.

#### 4. Is this an all year-round commitment?

Yes and No. It is dependent on the number of seasons you play. Winter season comprises of term 2/3 school terms, whilst the summer season comprises of term 4/1. A tryout is undertaken prior to the commencement of each season.

#### 5. How do I know that I have been selected?

At the end of 3 tryouts; the team list will be released on the website – we aim to release this; a day or 2 after the tryouts.

#### 6. When does it all start?

Games commence first Saturday of term2 (winter) or term 4 (summer). It is therefore vital that the teams begin training immediately. Therefore, once you have been selected into a team, pre-season training will commence. Pre-season trainings are held during the Easter term 1 holidays for winter season participants and September term 3 holidays for summer season participants. **We advise that you reserve booking holiday activities until teams are confirmed.**
